EDUCATION

KIT-Kalaigarkarananidhi Institute of Technology Coimbatore - Tamilnadu, India 2023 – 2027
B.E. Computer Science and Engineering , Pre-Final year Current **CGPA: 8.33/10.0**
Coursework: Computer Architecture, Computer Networks, Operating Systems, Database Management Systems

EXPERIENCE

Frontend Development Intern – LearnLogicify Technologies (offline) June 2025

- Gained hands-on experience in core frontend technologies such as HTML, CSS, and JavaScript.
- Built interactive and responsive web pages for project requirements.
- Enhanced skills in UI/UX concepts, browser debugging, and overall frontend development practices.

PROJECTS

Hostel Mess Management System | JavaScript, HTML, CSS Link | Sep 2025

- Developed a web application to track daily food preparation, consumption, and wastage for all hostel mess meals.
- Implemented attendance-based planning with automatic food wastage calculation to improve accuracy and reduce waste.
- Built separate meal modules with image upload support, persistent LocalStorage data, and a clean, responsive user interface.

AI Powered Travel Planner | Python, Flask, Google Gemini API Link | Dec 2025

- Developed a web application using Flask and Google Gemini to generate personalized, day-by-day travel itineraries.
- Integrated a context-aware AI chatbot that dynamically gathers preferences to build structured, Markdown-formatted travel plans.
- Designed a responsive, real-time chat interface with session management and a polished UI for a seamless user experience.

TECHNICAL SKILLS

C	SQL	CSS	OOPS
DSA	React.js	Github	Bootstrap
Python	HTML	JavaScript	

CERTIFICATIONS & COURSES

Infosys – Database Management system	Link 2024
Infosys – Python Development	Link 2025
Juniper – Open Learning	Link 2025
Infosys – Frontend Developer	Link 2025
Coursera – Get started with python	Link 2024

COMPETITIVE PROGRAMMING

Leetcode : Max rating - **1583** | Solved problems: **150+** | Top **56.01%** globally | Highest Rank :**1568**

Codeforces : Max rating - **1037** | Position: **Newbie** | Solved problems: **15+** .

Codechef : Max rating - **1475** | Position : **3** | Star : **2** | Problems : **150**

ACHIEVEMENTS

- Actively participated in 24 hours, 12 hours and 6 hours coding hackathon at KIT campus.
- Won 2 prizes in the Prompt Engineering Contest at CIET College for outstanding AI prompt design.
- Successfully completed a Frontend Development Internship at LearnLogicify, gaining hands-on experience in HTML, CSS, JavaScript, and UI design.
- Shortlisted and participated in a 36-hour Hackathon as part of a team, collaborating on real-time problem-solving and project development.

VOLUNTEERING

- Assisted in organizing various college events by supporting coordination tasks and ensuring timely execution of activities.
- Helped manage student participation, registration processes, and overall event flow to maintain smooth operations.
- Active member of the college Anchoring Club, regularly participating in hosting events, coordinating stage activities, and enhancing communication and public-speaking skills.
